## *RIVER CONNECTIONS - Domica Hill*

Acrylic On Canvas Framed in Flooded Gum Float Frame  
55 x 39 x 5 cm

AU\$699

## DESCRIPTION

'River Connections' captures the essence of life and tradition. The piece features a brilliant blue river, flowing like a lifeline through the canvas, symbolising the connections that bind people to the land and each other.

Above the river, soft peach and pink tones mingle, reflecting the warmth of the sun rising over the horizon. The sun, a radiant orb in the corner, bathes the landscape in gentle light, illuminating the symbols of meeting places—intertwined circles and paths—representing the gatherings and stories shared along the riverbanks. On the lower side of the river, rust and peach hills roll gracefully, depicting the rich, earthy country that holds ancestral significance.

## *SHINE OVER - Domica Hill*

Acrylic On Canvas Framed in American Ash Float Frame  
30 x 30 x 5 cm

AU\$300

## DESCRIPTION

Shine Over is a celebration of strength, guidance, and life flowing through Country. The sun beams down from the top corner, its golden warmth rippling across the canvas, casting light on all it touches. The flowing lines represent both water and energy – the life source moving through land, spirit, and kinship.

At the heart of the piece is a central meeting place, surrounded by paths, growth, and connection. The blue and turquoise tones reflect water, cleansing, and the spirit of renewal. Coral-like forms rise from below, echoing sea life and the deep knowledge held beneath the surface.

This work honours the power of light – not just the sun above, but the inner light that shines over us, protects us, and keeps us moving forward on our journey.

## *SPIRIT OF THE LAND - Domica Hill*

Acrylic On Canvas Framed in Flooded Gum Float Frame  
90 x 120 x 5 cm

AU\$2,999

## DESCRIPTION

This piece honours the deep, living connection between people, ancestors, and Country. Painted in calming green hues, the artwork speaks to growth, renewal, and the enduring presence of spirit in the land. Native gum leaves flow gently across the top, symbolising life and resilience. Among them, star symbols shine—representing the ancestors who watch over and guide each journey. Along the winding track, people gather at meeting spots, sharing knowledge and stories. A river flows beneath, bringing movement and life, while blooming flora and soft hills rise from below. Footprints span across the land above the hills, marking the paths of those who came before and reminding us that every step we take is part of a larger journey—guided, grounded, and forever connected to the spirit of the land.
